

# Declination Form

I understand that my exposure to patients at healthcare facilities with the following diseases puts me at risk of acquiring the disease. Most of these diseases are preventable through vaccines. I have had the opportunity to be vaccinated for these diseases; however, I choose at this time to decline the vaccination(s) checked below. I understand that by declining vaccine protection I continue to be at risk of acquiring the disease. I understand that I can receive these vaccinations or tests at any time.

VACCINATION OR TEST	REASON
<input type="checkbox"/> Measles, Mumps, Rubella (MMR)	_____
<input type="checkbox"/> Varicella	_____
<input type="checkbox"/> Hepatitis B	_____
<input type="checkbox"/> Influenza	_____
<input type="checkbox"/> Pertussis	_____
<input type="checkbox"/> Tuberculosis (either test or chest x-ray)	_____
<input type="checkbox"/> COVID-19	_____

By submitting this form, I acknowledge that each of my customers defines the required documentation used to manage vendor relationships and that a declination may not satisfy these requirements. As a result, not all health systems will allow badges to print based on declination documents.
