

# Stay connected and informed with our latest update

As part of our ongoing commitment to delivering high-quality, innovative solutions and services, we want to inform you about an upcoming adjustment to the vendor credentialing Access Tier pricing that will impact your vendors, suppliers and partners.

Starting on January 1st, 2024, we will be implementing a modest 5% price increase. This adjustment is a routine measure to account for inflation and ensure the long-term sustainability of our services.

Please find below the updated pricing for the 2024 Vendormate Access Tiers:

- Access 5: \$290
- Access 25: \$340
- Access 99: \$395
- Access Unlimited: \$580

The pricing for our new Vendormate Credentialing Service packages will remain the same. Vendors will continue to enjoy Diamond and Platinum Service at the current rates.

We remain dedicated to serving you and your vendor community. If you have any questions, please reach out to your Compliance Solutions Specialist, or our Customer Care team at 800.YOUR.GHX (1-800-968-7449).

Sincerely,

The Vendormate team
